Delivery:

As shown in the order form, there is a delivery cost of around \$16.50 for parcels up to 25kg.

To reduce delivery costs we are working through the options of having the gear picked up and delivered to some central locations in Wollongong, Sydney and Canberra from where members can pick up their gear.

If you want the items sent directly to your home please include the relevant delivery amount in the order form. Otherwise leave the delivery cost blank and we will be in touch with delivery instructions.
