- **Below are a number of other changes and restrictions for both lodges, please ensure for your safety and all other users you read and abide by these changes/rules.**
- Check in will be **strictly between 3pm - 9pm** and members are to contact lodge managers upon arrival to be temperature tested. This means early bag drop offs will not be possible this year.
- **Strictly no visitors or other members are allowed to enter either lodge if you do not have a valid booking.**
- **Guests will be temperature tested as they check in to the Lodge by the Lodge Manager. Members and guests MUST NOT attend the Lodges if they are not feeling well or exhibiting symptoms of COVID19 or have been in contact with people who have COVID19. Any guests presenting to the Lodge with a high temperature and or COVID19 symptoms will not be allowed to enter the lodge.**
- A room has been set aside for isolation and quarantine at the Jindabyne Lodge for those that cannot return home on the same day of arrival. There will be a thorough lodge clean undertaken by the managers of both lodges on a Sunday which will require all guests to vacate the lodge.

- The names of all people in the room and their contact phone numbers must be supplied on booking forms. Friends and visitors who are not staying at the lodge, will not be allowed to enter the lodges during the day or night to keep the lodge environment safe.
- Check out time will be **strictly 10am**, there will be no ability to leave your bags in your room/s or return in the afternoon for showers, only to have your lunch (Smiggins).
- Any ski/boarding equipment left at lodges will not be able to be accessed unless you are staying at the lodges. This means if you leave your skis/boards in the Smiggins Loft between stays, you will not be allowed to enter the lodge until after check in time on your returning visit. If you leave your gear at either lodge and then return at a later date to an alternate lodge, you will not be allowed to enter the lodge to pick up your gear.
- Communal areas within the Lodges will be subject to maximum guest capacity, indicated by signage. The Ground Floor entry area of Smiggins lodge could be controlled via signage so only the occupants of one room can leave at any one time, this means morning departures and afternoon returns from skiing/boarding could be staggered and patience will be required.
- Kitchen access/usage in both lodges will be controlled depending on Health Orders or Guidelines of the day; New microwave ovens have been placed in all rooms at Jindabyne to assist if the Kitchens are not available.
- Bathroom usage in Smiggins will be controlled through room allocation of one shower, one toilet and one basin per room, only the occupants of one room will be allowed in the bathroom at a time. This means bathrooms will be effectively operating as Uni-Sex bathrooms.
- Members and guests staying in both lodges must bring their own TOWELS and PILLOWS, other bedding will be provided as usual.
- The COVID19 Lodge Plan of Management outlines the procedures to be implemented, should a guest contract COVID19 or be suspected of contracting the virus. Failure to follow these procedures or directions from Lodge Managers or Board members may result in disciplinary action against members including suspension of membership.
- The Pool Tables and Table Tennis tables and equipment at both lodges and the Foosball at Jindabyne will be available pending COVID-19 Health Orders or Guidelines, but will require sanitizing before and after use, Parents/Adults will be responsible for the supervision of children under 16 years of age.
