Welcome to the first *Snow Country Snippets* for 2017.....

Happy New Year

The Board would like to wish all members and their families a safe and prosperous 2017. We look forward to a bumper year with great camaraderie between members and plenty of fun on the snow !

Welcome to our newest members

We welcome the following new members to the Club:

- **Martin Zachary** from Canberra

- **Hayden & Emily BROWN** (Children of Helen & John BROWN)

Welcome aboard - we trust you will enjoy many wonderful years as a member of Snow Country !

Annual Subscriptions and Building Levies

All members should have received their annual subscriptions notices for 2017.

Annual Subscription Invoices were due for payment by **February 28, 2017**. We look forward to prompt payment - remember, you're unable to book accommodation if you have outstanding or overdue subs.

Most members would have also received their 2017 Building Levy invoice.

Building Levies are payable by March 31, 2017. Again we look forward to prompt payment of the levy. If building levies are not paid members bookings will be charged at non-members rates.

If you have any queries with either invoice please contact SCSC Registrar, David Carr

Winter Bookings – Now Open

Winter bookings are now open for members at both lodges.

Non-member bookings will be accepted from April 3.

WORK PARTY – Smiggins Lodge

A Work Party to have the Smiggins Lodge ready for the upcoming Winter season will take place on:

Sat May 6 – Sun May 7 (attendees to arrive Friday evening/Sat morning)

Dave Bartley is coordinating the work party and requires some assistance. There are no major maintenance projects on the scope of works but we do need some able bodies to assist with grass cutting, painting and cleaning of rooms, kitchen clean and rubbish removal.

Please let Dave know of your availability – his contact details are:

Phone: 0437 608 838

Email: sunrise@comcen.com.au

The weekends are always enjoyable and a great way to meet fellow members.

Accommodation is free (at Smiggins Lodge) and petrol for work party attendees will be reimbursed by the Club upon provision of receipts.

Smiggins Refurbishment Project

Our Building Committee are making good progress on the Smiggins Refurbishment Project.

The committee are seeking to lodge the DA to the Dept of Planning in April. Due to current workloads, their advice to us is to expect a response back between 3 and 6 months from lodgement.

Ultimately the DOP response timeframe will determine when our work will start but every effort will be made to commence/complete the work prior to the 2018 Winter season.

Please note, all Building Levies paid will be held in separate account to keep these monies away from general Club expenditure and should in the unlikely event the project doesn't proceed the levies will be returned to members.
